**HONGKONG "B."**  
Played on the Club Ground at Happy Valley on Saturday, the home team being victorious in a good game by 4 goals to 1. Very soon after the commencement Railton came into the picture for pretty work on the right wing, and as a result of a pass from him, Wilson opened the scoring from short range. Railton twisted his ankle just afterwards, and retired from the game, the Club playing only four forwards onwards. Wilson gave to Penzell, for the centre forward to score the second point in the corner, and Goldenberg, jun., had hard luck with a well-judged attempt which hit the cross-bar with the keeper well beaten. The visitors' centre replied for his side with a fine shot. The Club's third goal was a gift to Ridgen, whose slow shot was com-

pletely missed by the soldiers' custodian. Wilson, with no partner, was given plenty of scope to roam, and this opportunity was accepted to good purpose, he playing very prettily on the wing. Barlow saved several efforts by the military, but he was not seriously troubled throughout the game. Pennell obtained his side's fourth and last point with a hard shot from twenty yards out, giving the keeper no chance.

**THE ATTEMPTED ASSASSINATION OF PRINCE YAMAGATA.**  
**DETAILS OF THE AFFAIR.**  
The details of the attempt made on the 24th ult. to assassinate Prince Yamagata are as follows:—

At midnight, a man named Hachirokei Nakano, aged twenty-five, entered Prince Yamagata's residence, armed with a dagger, which is a hereditary treasure, and attempted to break into Prince Yamagata's bed-chamber in order to kill the Prince. He failed in his purpose, however, and at the approach of dawn decided to commit suicide by taking a dose of morphine. A policeman on guard in Prince Yamagata's residence discovered the intruder, who attempted to cut his own throat with the dagger after medical aid had been sent for. On a strict examination being made by the Metropolitan Police, a will was found to have been pencilled by the assassin on the steps of the main gate, apparently instant he took the poison.

makes beautiful washable walls. It is applied with a white-wash brush, disinfected, and destroys all microbes, dries like flat paint, and sets hard as cement. It contains no lead and therefore does not discolour or turn black, nor crack, scale or peel off.

Made in two qualities for inside and outside work: sold and used by decorators everywhere. Sample Card and full particulars sent free on application to
